Our culture of building and maintaining successful partnerships instills confidence in achieving both employee and client goals.

Position Rationale

Mainline Construction Ltd. is seeking experienced Packer Operator. The Packer Operator is responsible for the safe and efficient operation of a variety of packer equipment and must be familiar with aspects of road construction and compaction of soil and granular material.

Position Accountabilities

Equipment Operations:

- Operate the packer and other heavy equipment in a safe and appropriate manner.
- Perform daily maintenance and safety checks on equipment.
- Conduct pre-operational checks on equipment, and clean, lubricate and refill equipment as necessary.
- Perform routine cleaning and maintenance to ensure smooth operation of the packer.

Technical Knowledge:

- Knowledge of road construction materials, road construction processes and industry requirements.
- Understanding of computerized controls and electronics.

Work Environment / Conditions:

- Out of town travel is required.
- Overtime as required.
- Work is performed in an outdoor setting, which could include inclement weather, heat and humidity.
- Must be physically able to repetitively lift and carry at least 20 LBS on a regular basis.
- Use of Personal Protection Equipment is required.

- Use of sunscreen, long sleeves, and appropriate headgear is recommended.
- Must comply with the company's drug and alcohol testing requirements.

Safety:

- Actively engage in Mainline Construction Ltd.'s safety culture.
- Engage senior management on an ongoing basis regarding safety activities and successes.
- Remain visibly committed to the safety excellence way of life by:
 - Participating in all relevant safety training.
 - Attend weekly safety meetings.
 - Actively and positively participate.

Position Requirements

Qualifications & Experience:

- High school or equivalent; with experience in related construction activities
- Class 5 license; clean abstract
- Minimum 3 – 5 years' experience within the Construction Industry
- 2 – 3 years' experience operating a packer is required
- Relevant Oilfield Certification /Safety tickets would be an asset
- Ability to work in adverse weather conditions
- Understanding of computerized controls and electronics.
